

Engravable Paver Brick Opportunity

A new gift-giving opportunity is available this year that's a guaranteed pleaser for both the recipient as well as the giver. Engravable paver bricks are here!

The Linda Ulland Memorial Gardens (LUMG), a partner project between the US Army Corps of Engineers and the Paul Bunyan Scenic Byway Association, has been taking shape over the past two summers. Located along the south side of the entrance to the Crosslake Campground and Recreational Area, the LUMG has drawn accolades from many already and will see future development continue in the same welcoming and attractive style that has already pleased residents and visitors.

One of those developments is the upcoming paver paths, scheduled for spring installation. As a part of that, folks now have a new opportunity to purchase one or more engraved paver bricks at \$60 per brick. Messages of one or two lines can honor, memorialize, celebrate or highlight something or someone, or use the paver message to promote an organization or business. The engraved bricks will become a permanent part of the garden's paver paths. There is no deadline to order, as new engraved pavers will continually be installed in batches along the walkways for many years to come.

To place an order print the Order Form on the next page, complete and return with check per instructions. Any questions about the engravable paver opportunity or the LUMG in general, call Lynn Scharenbroich at 218-543-4714 or Corrine Hodapp at 651-290-5790.

LINDA ULLAND INTERPRETIVE GARDEN MEMORIAL BRICK ORDER

The US Army Corps of Engineers and Paul Bunyan Scenic Byway Association are pleased to announce that we are in the walkway stages of the interpretive gardens and are offering to the public a chance to participate with a one of a kind engraved brick to pay tribute to a loved one, in remembrance of a special day or any event you would like to immortalize. The suggested minimum donation is only \$60.00 each and it will provide a memory that will last a lifetime.
